

The

DAILY DIVOT

January
32nd, 2022

Well, Spring came this year with great optimism. **WE WERE SAVED!!** The vaccination is here and we will all go back to normal. And we did. With many of us happily getting the vax, we quit washing and sanitizing our hands every 4 minutes. We all hugged and kissed again. Yeah there were supply chain issues and restaurants and other service industries were having trouble finding help, but we were, for the most part, living as we did before the **BIG SHUTDOWN**. Fun was the name of the game and by golly we were gonna have some! That made for a pretty good season here at The Tamaracks. We were able to make a few upgrades and tend to some things that have long been needing attention. Tommy and his crew had the course in great shape all summer. None of this would be possible without our great friends coming to see us all these years. At the season end the words "Delta" and then "Omicron" came on the news. We realized that things weren't as bright as we thought. Some of us suffered greatly, some even *worse than that*. We love all our friends, and wish them well. **LET'S HAVE A GREAT 2022!!**

GIRLS JUST WANNA HAVE FUN!!

The **SISTERS FOR SURVIVORS** celebrated 10 years this past July! To date the ladies in pink have donated thousand\$\$ to "Rally for the Cure." The effort these women continue to put into their decorating is obvious, but the fun they have is effortless. This years **Sisters for Survivors** will be held on Friday July 8th at 9:00 AM. Grab your girl gang and join them for a great cause.

Once again our GREAT FRIENDS OF THE TAMARACKS came through to help us out on another project. I'm sure that you have noticed the sad shape of our green and white tents that we have out in the yard every year. Thanks to your contribution we were able to secure a brand new 20' X 20' tent. We got it in time to put up for the final couple of events. Thank you friends once again for your support through the years. Words are NOT ENOUGH!

This year we have a new assignment for all of you. A contest really. Most of you have a phone with you all the time so your assignment is to take pictures and send them to us. We don't mean you should always have your phone out, it should not slow down play or tick your opponents off, but if you take a group photo; someone has a hole-in-

one or an exceptional round; you're relaxing on the patio with friends; or the fall colors are too good not to capture. We want to see it all! Your photos

will be on display and we'll choose a winner (that will receive a HUGE PRIZE) in November. Email photos to

golf@thetamaracks.com with a description as the subject line. The RACK photo contest starts NOW!!

The unofficial photojournalist/historian Kate Russell has already contributed a significant amount of

entries. Can you guess who submitted the first 4 entries? **We can't wait to see what you see.**
