# 2022

**WHAT A SEASON!!!** You guys showed up in early April and didn't quit until late October! The leagues were all great, high numbers and newbies in each. In terms of rounds played we saw numbers we haven't seen in a while. We hosted the Michigan Moose and the State Eagles couples tournaments. We saw Doherty group numbers up and we saw many of our Canadian friends that we hadn't seen since before COVID. And lotsa vacationers all the time. We spent the summer understaffed, like everybody else. Our crew both outside and in deserve a HUGE thanks for keeping everything going and as beautiful as ever.

You may have noticed our food service and hours were limited last summer. We apologize, but please know that we were always doing our best. 2022 taught us that we are better at the golf business than the restaurant business. So, in 2023 we're going to stick to what we're good at, so there will be changes to the food/bar side of things. We are deciding how to best serve you and will let you know exactly what you can expect in early spring.

We are gearing up and are excited for another GREAT SUMMER OF 2023!! As always, none of this could happen without our friends, we love you all and THANK YOU SO MUCH as we head into our 43rd season.

## Friends of The Tamaracks

they might  
save your life!!

For the last 10 years the FRIENDS OF THE TAMARACKS BRAD VAN PELT ONE PERSON SCRAMBLE has been independently raising funds for improvement that we can all enjoy. This years contribution just may save your life!! The friends have just purchased and AUTOMATED EXTERNAL DEFIBRILLATOR or AED. This Spring the Tamaracks crew will be taking a short course on how to use this device, but we have been assured that in case of an emergency almost anyone can operate it. The device will be in plain sight in the clubhouse, ready for use at all times. I would urge all of you to become at least a little familiar with it just in case the time comes that you need to step up.

Lets just hope we never need it. THANK YOU FRIENDS, YOU KNOW WHO YOU ARE!!

Over the years the **Morel Open** in the Spring and the **Tamaracks Open** in the Fall have been the source for lots of fun, camaraderie, and even a little over indulgence of certain beverages. But in addition to that, they have been a source of revenue for many, many causes over the years. We are blessed to live in a community where so many of our fellow citizens give their time, effort and money to contribute to the continued success of a wide variety of very good programs. 2023 will continue that tradition by the staging of the **"BIG COOLER MOREL OPEN SCHOLARSHIP SCRAMBLE."** Along with so many others, our late friend **Greg Roy** was a driving force in dozens of these events. His family and friends invite you to join them for a day of golf, food and drink as they create an annual scholarship for young grads entering the trades. Come out to play or just to eat or indulge. I've got a feeling the **22 time LEGEND "BIG COOLER"** would like that.

## Thanks For Your Support

The Harrison Sports Boosters would like to thank the following individuals, as well as business people in our community for yet again supporting our annual golf outing to raise money for our children in our community. Without you this would not be the success it was, we were able to raise \$8,042.00
