45 YEARS

AN ANNUAL PUBLICATION

It was on Memorial Weekend in 1981 that ol' Ed Rogers pulled into our dusty, bumpy driveway in his two tone brown conversion van. He walked over to me at our newly constructed 4' X 8' plywood "*clubhouse*" that we had nailed together that morning. After a short talk about what was going on out in the mostly dirt field in front of us, he handed me a five dollar bill. Ed went to his van and took out an obviously experienced set of golf clubs. Even though it was 1981 it was clear that his leather golf bag, knitted head covers, and his rickety old pull cart (complete with a score card holder and slots for a few balls and tees) had been used in a much earlier decade. All alone Ed walked to where I told him the first tee was. I watched as he broke a tee trying to put it into the hard ground. There were no spruce trees in those days to hide my view of him as he walked towards the first green. When he finally got out of sight, I stood there alone,,, with a ***FIVE DOLLAR BILL!*** Looking back we should have framed that first windfall that The Tamaracks ever took in. But we couldn't afford it. We needed to go to the corner party store and fill up a gas can so we could mow some grass (clover) that we were hoping to grow.

This Memorial Weekend will pass without fanfare as we quietly celebrate our 45th Birthday. As we begin our 46th summer we will reflect on how we got here. The easy answer is; *Great Customers!* But the real answer is much more than that. We had *Great Employees, Great Family, Great Partners,,* but most of all ***GREAT FRIENDS!!*** We're planning a little party to thank you in late July.

Keep an eye out for it. Thank you Friends, WE LOVE YOU!!
